Responsible	 To ensure that you don't get billed in error for medical services, please: Allow 2 business days for referrals. It takes up to 48 hours for some insurance companies to process referrals and authorize services requiring precertification. Without such authorizations, your insurance company may deny payment and you may get billed. Call 24 hours ahead to cancel your appointment. You may be responsible for the usual and customary charges for missed appointments. Call your insurance company and confirm that we are assigned as your primary doctor(s) Call us to inform us of any changes in your health insurance plan. Know your health plan requirements and participating providers before making appointments. If you have questions about your insurance coverage or need some clarification, please call our office. Our Office Manager will be happy to assist you with questions.

Quality Healthcare for the Whole Family!

L7 - Consent to the Use and Disclosure of Health Information for Treatment, Payment or Healthcare Operations (HIPPA)

I have received a copy of the HIPPA privacy policy and understand that as a part of my treatment, this practice originates and maintains health records describing my health history, symptoms, examination and test results, diagnoses, treatment and any plans for future care or treatment. I understand that this information serves as:

- A basis for planning my care and treatment.
- A means of communicating among any other health care professionals who might contribute to my care, via telephone, fax, etc.
- A source of information for applying my diagnosis and surgical information to my account to process for payment.
- A means by which a third-party payer can verify the services that are billed and are accurate and actual.
- As a tool for routine healthcare operations, such as assessing quality, and reviewing the competence of healthcare officials.

I understand this practice will take great care to insure that any and all information pertaining to me, and my treatment here will be handled with an emphasis on maintaining my privacy at all times. I understand that I have the right to request restrictions as to how my health information may be used, or disclosed to carry out treatment, payment, or healthcare operations, and that this practice is not required to agree to these restrictions. I understand that I may revoke this consent in writing, at any time, but not to the extent that the organization has already acted in.

I request the following restrictions to the use, or disclosure of my health information.
